INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
The Arc of the United States
The Foundation of The Arc of the United States
Washington, D.C.

Report on the Financial Statements

We have audited the accompanying combined financial statements of The Arc of the United States (The Arc) and The Foundation of The Arc of the United States (the Foundation), collectively the Organizations, which comprise the combined statement of financial position as of December 31, 2017, and the related combined statements of activities and change in net assets, functional expenses and cash flows for the year then ended, and the related notes to the combined financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these combined financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of combined financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these combined financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the combined financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the combined financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the combined financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the combined financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the combined financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the combined financial statements referred to above present fairly, in all material respects, the combined financial position of the Organizations as of December 31, 2017, and the combined change in their net assets and their combined cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Report on Summarized Comparative Information

We have previously audited the Organizations' 2016 combined financial statements, and we expressed an unmodified audit opinion on those audited combined financial statements in our report dated April 10, 2017. In our opinion, the summarized comparative information presented herein as of and for the year ended December 31, 2016, is consistent, in all material respects, with the audited combined financial statements from which it has been derived.

NOTES TO COMBINED FINANCIAL STATEMENTS DECEMBER 31. 2017

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND GENERAL INFORMATION

Organization -

The Arc of the United States (The Arc) is the national headquarters of the largest community-based organization of and for people with intellectual and developmental disabilities. The Arc promotes and protects the human rights of people with intellectual and developmental disabilities and actively supports their full inclusion and participation in the community throughout their lifetime.

The Arc provides an array of services and support for families and individuals and includes over 140,000 members affiliated through about 650 state and local chapters across the nation, including training and education assistance with employment and independent living. The Arc is devoted to promoting and improving supports and services for all people with intellectual and developmental disabilities. The Arc is primarily supported by affiliation fees, program revenue and support from the general public.

The Foundation of The Arc of the United States (the Foundation) was established to promote, support and further the interests and purposes of The Arc. The Foundation is primarily supported by contributions from the general public.

The Arc of the United States and The Foundation of The Arc of the United States will collectively be referred to as "the Organizations".

Basis of presentation -

The accompanying combined financial statements reflect the activity of The Arc and the Foundation and are presented on the accrual basis of accounting, and in accordance with FASB ASC 958-810, *Not-for-Profit Entities*, *Consolidation*, due to the common control of the two entities. All inter-company transactions have been eliminated.

The combined financial statements include certain prior year summarized comparative information in total but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with generally accepted accounting principles. Accordingly, such information should be read in conjunction with the Organizations' combined financial statements for the year ended December 31, 2016, from which the summarized information was derived.

Cash and cash equivalents -

The Organizations consider all cash and other highly liquid investments with initial maturities of three months or less to be cash equivalents.

Bank deposit accounts are insured by the Federal Deposit Insurance Corporation (FDIC) up to a limit of \$250,000. At times during the year, The Arc maintains cash balances in excess of the FDIC insurance limits. Management believes the risk in these situations to be minimal.

Investments -

Investments are recorded at their readily determinable fair value. Interest, dividends, realized and unrealized gains and losses are included in investment income in the Combined Statement of Activities and Change in Net Assets.

NOTES TO COMBINED FINANCIAL STATEMENTS DECEMBER 31. 2017

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND GENERAL INFORMATION (Continued)

Accounts receivable, grants receivable and advances -

Accounts receivable, grants receivable and advances are stated at their fair value. The allowance for doubtful accounts is determined as a percentage of the total accounts receivables at year-end, including the age of the balance and the historical experience with the donor.

Fixed assets -

Fixed assets are stated at cost. Land is recorded at the fair value at the date of the donation. Fixed assets are depreciated on a straight-line basis over the estimated useful lives of the related assets, generally three to five years. Equipment costing greater than \$1,500 is capitalized. Computers costing greater than \$2,000 are capitalized. The cost of maintenance and repairs is recorded as expenses are incurred.

Income taxes -

The Organizations are exempt from Federal income taxes under Section 501(c)(3) of the Internal Revenue Code. Accordingly, no provision for income taxes has been made in the accompanying combined financial statements. The Organizations are not private foundations.

Uncertain tax positions -

For the year ended December 31, 2017, the Organizations have documented their consideration of FASB ASC 740-10, *Income Taxes*, that provides guidance for reporting uncertainty in income taxes and have determined that no material uncertain tax positions qualify for either recognition or disclosure in the combined financial statements.

Net asset classification -

The net assets are reported in three self-balancing groups as follows:

- Unrestricted net assets include unrestricted revenue and contributions received without donor-imposed restrictions. These net assets are available for the operation of the Organizations and include both internally designated and undesignated resources.
- Temporarily restricted net assets include revenue and contributions subject to donorimposed stipulations that will be met by the actions of the Organizations and/or the passage of time. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the Combined Statement of Activities and Change in Net Assets as net assets released from restrictions.
- **Permanently restricted net assets** represent funds restricted by the donor to be maintained in-perpetuity by the Organizations.

Contributions and grants -

Unrestricted and temporarily restricted contributions and grants are recorded as revenue in the year notification is received from the donor.

NOTES TO COMBINED FINANCIAL STATEMENTS DECEMBER 31. 2017

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND GENERAL INFORMATION (Continued)

Contributions and grants (continued) -

Temporarily restricted contributions and grants are recognized as unrestricted support only to the extent of actual expenses incurred in compliance with the donor-imposed restrictions and satisfaction of time restrictions. Such funds in excess of expenses incurred are shown as temporarily restricted net assets in the accompanying combined financial statements.

The Organizations receive funding under grants and contracts from the U.S. Government, and other grantors for direct and indirect program costs. This funding is subject to contractual restrictions, which must be met through incurring qualifying expenses for particular programs. Accordingly, such grants are considered exchange transactions and are recorded as unrestricted income to the extent that related expenses are incurred in compliance with the criteria stipulated in the grant agreements.

Affiliation and chapter fees, registration and program services fees -

Affiliation and chapter fees, registrations and program services fees are recognized as revenue in the period that they are earned.

Use of estimates -

The preparation of combined financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the combined financial statements and the reported amounts of revenue and expenses during the reporting period. Accordingly, actual results could differ from those estimates.

Functional allocation of expenses -

The costs of providing the various programs and other activities have been summarized on a functional basis in the Combined Statement of Activities and Change in Net Assets. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

Risks and uncertainties -

The Organizations invest in various investment securities. Investment securities are exposed to various risks such as interest rates, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the combined financial statements.

Fair value measurement -

The Organizations adopted the provisions of FASB ASC 820, *Fair Value Measurement*. FASB ASC 820 defines fair value, establishes a framework for measuring fair value, establishes a fair value hierarchy based on the quality of inputs (assumptions that market participants would use in pricing assets and liabilities, including assumptions about risk) used to measure fair value, and enhances disclosure requirements for fair value measurement.

NOTES TO COMBINED FINANCIAL STATEMENTS DECEMBER 31. 2017

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND GENERAL INFORMATION (Continued)

Fair value measurement (continued) -

The Organizations account for a significant portion of their financial instruments at fair value or considers fair value in their measurement.

New accounting pronouncements (not yet adopted) -

In August 2016, the FASB issued Accounting Standards Update (ASU) 2016-14, *Presentation of Financial Statements of Not-for-Profit Entities* (Topic 958), intended to improve financial reporting for not-for-profit entities. The ASU will reduce the current three classes of net assets into two: with and without donor restrictions. The change in each of the classes of net assets must be reported on the Combined Statement of Activities and Change in Net Assets. The ASU also requires various enhanced disclosures around topics such as board designations, liquidity, functional classification of expenses, investment expenses, donor restrictions, and underwater endowments. The ASU is effective for years beginning after December 15, 2017. Early adoption is permitted. The ASU should be applied on a retrospective basis in the year that the ASU is first applied. While the ASU will change the presentation of the Organizations' combined financial statements, it is not expected to alter the Organizations' reported financial position.

In May 2014, the FASB issued ASU 2014-09, *Revenue from Contracts with Customers* (Topic 606) (ASU 2014-09). The ASU establishes a comprehensive revenue recognition standard for virtually all industries under generally accepted accounting principles in the United States (U.S. GAAP) including those that previously followed industry-specific guidance. The guidance states that an entity should recognize revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. The FASB issued ASU 2015-14 in August 2015 that deferred the effective date of ASU 2014-09 by a year thus the effective date is fiscal years beginning after December 15, 2018. Early adoption is permitted. The Organizations have not yet selected a transition method and is currently evaluating the effect that the updated standard will have on the combined financial statements.

In 2016, the FASB issued ASU 2016-02, *Leases* (Topic 842). The ASU changes the accounting treatment for operating leases by recognizing a lease asset and lease liability at the present value of the lease payments in the Combined Statement of Financial Position and disclosing key information about leasing arrangements. The ASU is effective for private entities for fiscal years beginning after December 15, 2019. Early adoption is permitted. The ASU should be applied at the beginning of the earliest period presented using a modified retrospective approach.

The Organizations plan to adopt the new ASU's at the required implementation dates.

Reclassification -

Certain amounts in the prior year's financial statements have been reclassified to conform to the current year's presentation. These reclassifications had no effect on the previously reported changes in net assets.

NOTES TO COMBINED FINANCIAL STATEMENTS DECEMBER 31. 2017

2. INVESTMENTS

Investments consisted of the following at December 31, 2017:

	_	Fair Value
Mutual funds Stocks Fixed income - taxable bonds	\$	584,796 8,225,610 3,166,876
TOTAL INVESTMENTS	\$ <u>_</u>	11,977,282
Included in investment income are the following at December 31, 2017:		
Interest and dividends, net of investment fees of \$38,361 Unrealized gain Realized gain Distributions from the beneficial interest in perpetual trusts	\$ _	186,372 1,186,452 216,120 45,431
TOTAL INVESTMENT INCOME	\$_	1,634,375

3. BENEFICIAL INTEREST IN PERPETUAL TRUST

The Arc is the beneficiary of certain perpetual trusts held and administered by a third party. The present value of the estimated future cash flows (as measured by the fair value of the underlying investments) is recognized as assets and contribution revenues at the dates the trusts are established. Distributions from the trust are recorded as unrestricted investment income.

The increase or decrease in the asset measured by the fair value of the asset contributed to the trust is recorded as a permanently restricted gain in perpetual trust in the Combined Statement of Activities and Change in Net Assets.

For the year ended December 31, 2017, The Arc recorded a net gain in perpetual trust of \$130,886, due to the increase in fair value.

The Arc also received distributions from the beneficial interest in perpetual trusts in the amount of \$45,431, which is included in unrestricted investment income in the Combined Statement of Activities and Change in Net Assets.

The value of The Arc's interest in the perpetual trusts at December 31, 2017 was \$1,274,333.

4. BOARD-DESIGNATED

The Board of Directors has set aside certain unrestricted net assets for special purposes. Such funds are used to offset any operational loss incurred by The Arc or to fund any other special project of The Arc. As of December 31, 2017, Board-designated assets totaled \$609,682.

NOTES TO COMBINED FINANCIAL STATEMENTS DECEMBER 31, 2017

5. TEMPORARILY RESTRICTED NET ASSETS

As of December 31, 2017, temporarily restricted net assets consisted of the following:

TOTAL NET ASSETS RELEASED FROM RESTRICTIONS \$ 3,259,876

NOTES TO COMBINED FINANCIAL STATEMENTS DECEMBER 31. 2017

6. RELATED PARTY TRANSACTIONS

The Arc and the Foundation have separate governing Boards of Directors, but share six voting directors which control the Foundation's Board. At December 31, 2017, the Foundation has a receivable from The Arc amounting to \$105,046, for contributions paid to the Foundation received through The Arc on behalf of the Foundation. Inter-company transactions are eliminated in the combined report presented.

At December 31, 2017, The Arc had a net balance of \$33,284 due to the National Conference of Executives of the Arc (NCE). The Arc and NCE have separate governing Boards of Directors and there is no economic control. Included in that balance is cash in the amount of \$33,284 held on behalf of NCE.

7. MANAGEMENT SERVICES CONTRACT

The Arc entered into a management service agreement with The Arc of the District of Columbia, Inc. (The Arc of DC). The Arc of DC is a non-profit organization and is affiliated as a state chapter of The Arc. Both organizations do not share voting directors, therefore, The Arc does not have an economic control over The Arc of DC and their financial activity is not combined. The Arc charged The Arc of DC \$108,960 for the management fees which are included in other revenue on the Statement of Activities and Change in Net Assets.

8. COMMITMENTS - OPERATING LEASES

During fiscal year 2011, The Arc signed a 140-month lease, commencing on October 1, 2011 and terminating on May 31, 2023, with annual lease escalations of 2.5%. As part of the lease agreement, The Arc received three free months of rent at the commencement of the contract. Additionally, The Arc was only required to pay 50% of the rental installments for the 12 months following and received free rent for the month and a half after the year period.

Accounting principles generally accepted in the United States of America require that the total rent commitment should be recognized on a straight-line basis over the term of the lease. Consequently, the difference between the actual monthly payments and the rent expense being recognized for financial statement purposes will be recorded as a deferred rent liability.

For the year ended December 31, 2017, occupancy expense was \$582,308. Additionally, the deferred rent and lease incentive liability at year-end was \$865,097.

In December 2013, The Arc amended the lease to include an additional 1,644 square feet of office space. The lease for the additional space commenced on May 15, 2014 and will maintain a termination date of May 31, 2023.

At December 31, 2017, minimum annual rental commitments under the lease are as follows:

Year Ending December 31,

2018	\$	599,836
2019		616,294
2020		633,178
2021		650,552

NOTES TO COMBINED FINANCIAL STATEMENTS DECEMBER 31. 2017

9. RETIREMENT PLAN

The Arc has a non-contributory pension plan (the Plan), covering substantially all of its regular employees. Total pension expense was \$322,839 for the year ended December 31, 2017. The Plan, which provides for deferred annuity contracts, is a money-purchase defined contribution plan. The Arc's cost is limited to the contributions fixed under the Plan.

The Arc also has a 457(b) deferred compensation plan, effective August 9, 2009, limited to the top hat group of employees. Elective deferrals may be made to the Plan up to the maximum allowed by law. As of December 31, 2017, \$126,498 was deferred under the Plan.

10. CONTRIBUTED SERVICES

During the year ended December 31, 2017, The Arc was the beneficiary of donated services in the amount of \$1,951,014. The value of these services was estimated at fair market value, and has been included as revenue and expenses in the accompanying combined financial statements for the year ended December 31, 2017, as follows:

Donated Legal Services \$ 835,915
Donated Advertising \$ 1,115,099

TOTAL CONTRIBUTED SERVICES \$ 1,951,014

11. CONTINGENCY

The Arc receives grants from various agencies of the United States Government. Beginning for fiscal year ended December 31, 2015, such grants are subject to audit under the provisions of *Title 2 U.S. Code of Federal Regulations (CFR) Part 200 Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*. The ultimate determination of amounts received under the United States Government grants is based upon the allowance of costs reported to and accepted by the United States Government as a result of the audits. Audits in accordance with the applicable provisions have been completed for all required fiscal years through 2016. Until such audits have been accepted by the United States Government, there exists a contingency to refund any amount received in excess of allowable costs. Management is of the opinion that no material liability will result from such audits.

During the year ended December 31, 2017, The Arc did not incur costs of Federal funding in excess of \$750,000 that would require a single audit under the Uniform Guidance.

12. FAIR VALUE MEASUREMENT

In accordance with FASB ASC 820, *Fair Value Measurement*, the Organizations have categorized their financial instruments, based on the priority of the inputs to the valuation technique, into a three-level fair value hierarchy. The fair value hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). If the inputs used to measure the financial instruments fall within different levels of hierarchy, the categorization is based on the lowest level input that is significant to the fair value measurement of the instrument.

NOTES TO COMBINED FINANCIAL STATEMENTS DECEMBER 31. 2017

12. FAIR VALUE MEASUREMENT (Continued)

Investments recorded in the Combined Statement of Financial Position are categorized based on the inputs to valuation techniques as follows:

Level 1. These are investments where values are based on unadjusted quoted prices for identical assets in an active market the Organizations have the ability to access.

Level 2. These are investments where values are based on quoted prices for similar instruments in active markets, quoted prices for identical or similar instruments in markets that are not active, or model-based valuation techniques that utilize inputs that are observable either directly or indirectly for substantially the full-term of the investments.

Level 3. These are investments where inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Following is a description of the valuation methodology used for investments measured at fair value. There have been no changes in the methodologies used at December 31, 2017:

- Mutual funds Valued at the daily closing price as reported by the fund. Mutual funds held by the Organizations are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Organizations are deemed to be actively traded.
- Common stocks Valued at the closing price reported on the active market in which the individual securities are traded.
- Fixed income taxable bonds Fair value is based upon current yields available on comparable securities of issuers with similar ratings, the security's terms and conditions, and interest rate and credit risk.

The table below summarizes, by level within the fair value hierarchy, the Organizations' investments as of December 31, 2017:

		Level 1		Level 2		Level 3		Total	
Asset Class: Mutual funds Stocks Fixed income - taxable bonds	\$	584,796 8,225,610 -	•	- - 3,166,876	\$	- - -	\$	584,796 8,225,610 3,166,876

NOTES TO COMBINED FINANCIAL STATEMENTS DECEMBER 31. 2017

13. ENDOWMENT

The Organizations' endowment consists of donor-restricted endowment funds and funds designated by the Board of Directors to function as endowments. As required by GAAP, net assets associated with endowment funds, including funds designated by the Board of Directors to function as endowments, are classified and reported based on the existence or absence of donor-imposed restrictions. The Board of Directors has interpreted the Uniform Prudent Management of Institutional Funds Act (UPMIFA) as allowing the Organizations to appropriate for expenditures or accumulate so much of an endowment fund as the Organizations determine is prudent for the uses, benefits, purposes and duration for which the endowment fund is established, subject to the intent of the donor as expressed in the gift instrument. Unless stated otherwise in the gift instrument, the assets in an endowment fund shall be donor-restricted assets until appropriated for expenditure by the Board of Directors.

As a result of this interpretation, the Organizations have not changed the way permanently restricted net assets are classified. See Note 1 for further information on net asset classification. The remaining portion of the donor-restricted net assets is classified as temporarily restricted net assets until those amounts are appropriated for expenditure in a manner consistent with the standard of prudence prescribed by UPMIFA.

In accordance with UPMIFA, the Organizations consider the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

- The duration and preservation of the fund;
- The purpose of the organization and the donor-restricted endowment fund;
- General economic conditions and the possible effect of inflation and deflation;
- The expected total return from income and the appreciation of investments; and
- Investment policies of the organization.

The Organizations' endowment net asset composition by type of fund as of December 31, 2017:

Temporarily Permanently

	<u>Unrestricted</u>		Restricted		Restricted		<u>Total</u>						
Donor-Restricted Endowment Funds	\$		\$	6,867	\$_	2,266,428	\$ <u>2,273,2</u>	<u>95</u>					
TOTAL FUNDS	\$		\$	6,867	\$_	2,266,428	\$ <u>2,273,2</u>	95					
Changes in endowment net assets for the year ended December 31, 2017:													
	Unrestricted		Temporarily Restricted		Permanently Restricted		Total						
Endowment net assets, beginning of year Investment gain Net investment gain in beneficial interest in perpetual trusts Appropriations of expenditures in accordance with donor intent	\$	- - -		4,869 61,128 - <u>59,130</u>)	\$	2,135,542 - 130,886 -	\$ 2,140,4 61,1 130,8 (59,1	28 86					
ENDOWMENT NET ASSETS, END OF YEAR	\$		\$	6,867	\$	<u>2,266,428</u>	\$ <u>2,273,2</u>	<u>95</u>					

NOTES TO COMBINED FINANCIAL STATEMENTS DECEMBER 31. 2017

13. ENDOWMENT (Continued)

Funds with Deficiencies -

From time to time, the fair value of assets associated with individual donor-restricted endowment funds may fall below the level that the donor or UPMIFA requires the Organizations to retain as fund of perpetual duration. There was no deficiency as of December 31, 2017.

Return Objectives and Risk Parameters -

The Organizations have adopted investment and spending policies for endowment assets that attempt to provide a predictable stream of funding to programs supported by its endowment while seeking to maintain the purchasing power of the endowment assets. Endowment assets include those assets of donor-restricted funds that the Organizations must hold in-perpetuity or for a donor-specified period.

Strategies Employed for Achieving Objectives -

To satisfy their long-term rate-of-return objectives, the Organizations rely on a total return strategy in which investment returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends). The Organizations target a diversified asset allocation that places a greater emphasis on equity-based investments to achieve their long-term return objectives within prudent risk constraints.

Spending Policy and How the Investment Objectives Relate to Spending Policy -

The Organizations have a policy of appropriating for distribution the amount deemed allowable by the donor after determining the actual amount earned.

14. SUBSEQUENT EVENTS

In preparing these combined financial statements, the Organizations have evaluated events and transactions for potential recognition or disclosure through April 12, 2018, the date the combined financial statements were issued.
