#### INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
The Arc of the United States
The Foundation of The Arc of the United States
Washington, D.C.

We have audited the accompanying combined financial statements of The Arc of the United States (The Arc) and The Foundation of The Arc of the United States (the Foundation), collectively the Organizations, which comprise the combined statement of financial position as of December 31, 2018, and the related combined statements of activities and change in net assets, functional expenses and cash flows for the year then ended, and the related notes to the combined financial statements.

### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these combined financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of combined financial statements that are free from material misstatement, whether due to fraud or error.

### **Auditor's Responsibility**

Our responsibility is to express an opinion on these combined financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the combined financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the combined financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the combined financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the combined financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the combined financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### **Opinion**

In our opinion, the combined financial statements referred to above present fairly, in all material respects, the combined financial position of the Organizations as of December 31, 2018, and the combined change in their net assets and their combined cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

### **Report on Summarized Comparative Information**

We have previously audited the Organizations' 2017 combined financial statements, and we expressed an unmodified audit opinion on those audited combined financial statements in our report dated April 12, 2018. In our opinion, the summarized comparative information presented herein as of and for the year ended December 31, 2017, is consistent, in all material respects, with the audited combined financial statements from which it has been derived.

### NOTES TO COMBINED FINANCIAL STATEMENTS DECEMBER 31, 2018

#### 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND GENERAL INFORMATION

#### Organization -

The Arc of the United States (The Arc) is the national headquarters of the largest community-based organization of and for people with intellectual and developmental disabilities. The Arc promotes and protects the human rights of people with intellectual and developmental disabilities and actively supports their full inclusion and participation in the community throughout their lifetime.

The Arc provides an array of services and support for families and individuals and includes over 140,000 members affiliated through about 650 state and local chapters across the nation, including training and education assistance with employment and independent living. The Arc is devoted to promoting and improving supports and services for all people with intellectual and developmental disabilities. The Arc is primarily supported by affiliation fees, program revenue and support from the general public.

The Foundation of The Arc of the United States (the Foundation) was established to promote, support and further the interests and purposes of The Arc. The Foundation is primarily supported by contributions from the general public.

The Arc of the United States and The Foundation of The Arc of the United States will collectively be referred to as "the Organizations".

### Basis of presentation -

The accompanying combined financial statements are presented on the accrual basis of accounting, and in accordance with the Financial Accounting Standards Board (FASB) Accounting Standards Update (ASU) 2016-14 *Presentation of Financial Statements for Not-for-Profit Entities*. The ASU was adopted for the year ended December 31, 2018 and applied retrospectively.

The combined financial statements reflect the activity of The Arc and the Foundation and are presented and in accordance with FASB ASC 958-810, *Not-for-Profit Entities*, *Consolidation*, due to the common control of the two entities. All inter-company transactions have been eliminated.

The combined financial statements include certain prior year summarized comparative information in total but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with generally accepted accounting principles. Accordingly, such information should be read in conjunction with the Organizations' combined financial statements for the year ended December 31, 2017, from which the summarized information was derived.

#### Cash and cash equivalents -

The Organizations consider all cash and other highly liquid investments with initial maturities of three months or less to be cash equivalents.

Bank deposit accounts are insured by the Federal Deposit Insurance Corporation (FDIC) up to a limit of \$250,000. At times during the year, The Arc maintains cash balances in excess of the FDIC insurance limits. Management believes the risk in these situations to be minimal.

### NOTES TO COMBINED FINANCIAL STATEMENTS DECEMBER 31, 2018

### 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND GENERAL INFORMATION (Continued)

#### Investments -

Investments are recorded at their readily determinable fair value. Interest, dividends, realized and unrealized gains and losses are included in investment income net of investment expenses provided by external investment advisors in the Combined Statement of Activities and Change in Net Assets.

#### Accounts and grants receivable -

Accounts receivable and grants receivable are stated at their fair value. The allowance for doubtful accounts is determined as a percentage of the total accounts receivables at year-end, including the age of the balance and the historical experience with the donor.

#### Fixed assets -

Fixed assets are stated at cost. Land is recorded at the fair value at the date of the donation. Fixed assets are depreciated on a straight-line basis over the estimated useful lives of the related assets, generally three to five years. Equipment and furniture costing greater than \$1,500 is capitalized. Computers costing greater than \$2,000 are capitalized. The cost of maintenance and repairs is recorded as expenses are incurred.

#### Income taxes -

The Organizations are exempt from Federal income taxes under Section 501(c)(3) of the Internal Revenue Code. Beginning January 1, 2018, they are subject to unrelated business income taxes on qualified transportation fringe benefits provided to its employees. The amount of the tax for the year ended December 31, 2018 totaled \$8,883, and is reflected under "Miscellaneous" in the Combined Statement of Functional expenses. The Organizations are not private foundations.

#### Uncertain tax positions -

For the year ended December 31, 2018, the Organizations have documented their consideration of FASB ASC 740-10, *Income Taxes*, that provides guidance for reporting uncertainty in income taxes and have determined that no material uncertain tax positions qualify for either recognition or disclosure in the combined financial statements.

#### Net asset classification -

Net assets, revenues, gains, and losses are classified based on the existence or absence of donor or grantor imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

Net Assets Without Donor Restrictions - Net assets available for use in general operations
and not subject to donor (or certain grantor) restrictions are recorded as net assets without
donor restrictions. Assets restricted solely through the actions of the Board are referred to as
Board designated and are also reported as net assets without donor restrictions.

### NOTES TO COMBINED FINANCIAL STATEMENTS DECEMBER 31, 2018

### 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND GENERAL INFORMATION (Continued)

Net asset classification (continued) -

• Net Assets With Donor Restrictions - Contributions restricted by donors or grantors are reported as increases in net assets without donor restrictions if the restrictions expire (that is, when a stipulated time restriction ends or purpose restriction is accomplished) in the reporting period in which the revenue is recognized. All other donor-restricted contributions are reported as increases in net assets with donor restrictions, depending on the nature of the restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the Combined Statement of Activities and Change in Net Assets as net assets released from restrictions. Other donor imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity and are included with net assets with donor restrictions.

### Contributions and grants -

Contributions and grants received without donor restrictions and with donor restrictions are recorded as revenue in the year notification is received from the donor. Contributions and grants with donor restrictions are recognized as without donor restrictions only to the extent of actual expenses incurred in compliance with the donor-imposed restrictions and satisfaction of time restrictions. Such funds in excess of expenses incurred are shown as net assets with donor restriction in the accompanying combined financial statements.

The Organizations receive funding under grants and contracts from the U.S. other grantors for direct and indirect program costs. This funding is subject to contractual restrictions, which must be met through incurring qualifying expenses for particular programs. Accordingly, such grants are considered exchange transactions and are recorded as income without donor restrictions to the extent that related expenses are incurred in compliance with the criteria stipulated in the grant agreements.

Affiliation and chapter fees, registration and program services fees -

Affiliation and chapter fees, registrations and program services fees are recognized as revenue in the period that they are earned.

### Contributed services-

Contributed services consist of legal services and advertising. Contributed services are recorded at their fair market value as of the date of the gift.

#### Use of estimates -

The preparation of combined financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the combined financial statements and the reported amounts of revenue and expenses during the reporting period. Accordingly, actual results could differ from those estimates.

#### Functional allocation of expenses -

The costs of providing the various programs and other activities have been summarized on a functional basis in the Combined Statement of Activities and Change in Net Assets.

### NOTES TO COMBINED FINANCIAL STATEMENTS DECEMBER 31, 2018

### 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND GENERAL INFORMATION (Continued)

Functional allocation of expenses (continued) -

Accordingly, certain costs have been allocated among the programs and supporting services benefited. Expenses directly attributed to a specific functional area of the Organizations are reported as direct expenses to the programmatic area and those expenses that benefit more than one function are allocated on a basis of estimated time and effort or other reasonable basis.

#### Risks and uncertainties -

The Organizations invest in various investment securities. Investment securities are exposed to various risks such as interest rates, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the combined financial statements.

#### Fair value measurement -

The Organizations adopted the provisions of FASB ASC 820, Fair Value Measurement. FASB ASC 820 defines fair value, establishes a framework for measuring fair value, establishes a fair value hierarchy based on the quality of inputs (assumptions that market participants would use in pricing assets and liabilities, including assumptions about risk) used to measure fair value, and enhances disclosure requirements for fair value measurement. The Organizations account for a significant portion of their financial instruments at fair value or considers fair value in their measurement.

New accounting pronouncements (not yet adopted) -

In May 2014, the FASB issued ASU 2014-09, *Revenue from Contracts with Customers* (Topic 606) (ASU 2014-09). The ASU establishes a comprehensive revenue recognition standard for virtually all industries under generally accepted accounting principles in the United States (U.S. GAAP) including those that previously followed industry-specific guidance. The guidance states that an entity should recognize revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. The FASB issued ASU 2015-14 in August 2015 that deferred the effective date of ASU 2014-09 by a year thus the effective date is fiscal years beginning after December 15, 2018. Early adoption is permitted. The Organizations have not yet selected a transition method and is currently evaluating the effect that the updated standard will have on the combined financial statements.

In June 2018, the FASB issued ASU 2018-08, Not-for-Profit Entities (Topic 958): Clarifying the Scope and Accounting Guidance for Contributions Received and Contributions Made, which is intended to clarify and improve current guidance about whether a transfer of assets is an exchange transaction or a contribution. The amendments in this ASU provide a more robust framework to determine when a transaction should be accounted for as a contribution under Subtopic 958-605 or as an exchange transaction accounted for under other guidance (for example, Topic 606). The amendments also provide additional guidance about how to determine whether a contribution is conditional or unconditional. The amendments in this ASU could result in more grants and contracts being accounted for as contributions than under previous GAAP. The amendments in this ASU could result in more grants and contracts being accounted for as contributions than under previous GAAP.

### 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND GENERAL INFORMATION (Continued)

New accounting pronouncements (not yet adopted) (continued) -

The ASU recommends application on a modified prospective basis; however, retrospective application is permitted. The Organizations have not yet decided on a transition method. The ASU is effective for fiscal years beginning after December 15, 2018. In 2016, the FASB issued ASU 2016-02, *Leases* (Topic 842). The ASU changes the accounting treatment for operating leases by recognizing a lease asset and lease liability at the present value of the lease payments in the Combined Statement of Financial Position and disclosing key information about leasing arrangements. The ASU is effective for private entities for fiscal years beginning after December 15, 2019. Early adoption is permitted. The ASU should be applied at the beginning of the earliest period presented using a modified retrospective approach.

The Organizations plan to adopt the new ASU's at the required implementation dates.

#### Reclassification -

Certain amounts in the prior year's combined financial statements have been reclassified to conform to the current year's presentation. The reclassifications are primarily due to the adoption of Accounting Standards Update 2016-14, as discussed above, which requires two classifications of net assets from the previously presented three classes. Net assets previously classified as of December 31, 2017 as unrestricted net assets in the amount of \$3,276,636 are now classified as without donor restrictions. Net assets previously classified as temporarily restricted net assets and permanently restricted net assets in the amount of \$9,872,546 and \$2,266,428, respectively, are now classified as net assets with donor restrictions.

#### 2. INVESTMENTS

Investments consisted of the following at December 31, 2018:

<b>3</b> ,	Fair Value
Mutual funds Stocks Fixed income - taxable bonds	\$ 530,849 6,982,912 2,720,673
TOTAL INVESTMENTS	\$ <u>10,234,434</u>

Included in the investment portfolio are endowed gifts to be invested in perpetuity in the amount of \$2,114,839 for the year ended December 31, 2018.

The investment loss is the following for the year ended December 31, 2018:

### NOTES TO COMBINED FINANCIAL STATEMENTS DECEMBER 31, 2018

#### 3. BENEFICIAL INTEREST IN PERPETUAL TRUST

The Arc is the beneficiary of certain perpetual trusts held and administered by a third party. The present value of the estimated future cash flows (as measured by the fair value of the underlying investments) is recognized as assets and contribution revenues at the dates the trusts are established. Distributions from the trust are recorded as investment income without donor restrictions. The increase or decrease in the asset measured by the fair value of the asset contributed to the trust is recorded as a restricted gain in perpetuity in the Combined Statement of Activities and Change in Net Assets.

For the year ended December 31, 2018, The Arc recorded a net loss in perpetual trust of \$151,591, due to the decrease in fair value.

The Arc also received distributions from the beneficial interest in perpetual trusts in the amount of \$53,846, which is included in investment loss without donor restrictions in the Combined Statement of Activities and Change in Net Assets.

The value of The Arc's interest in the perpetual trusts at December 31, 2018 was \$1,122,742.

### 4. BOARD DESIGNATED

The Board of Directors has set aside certain net assets without donor restrictions for special purposes. Such funds are used to offset any operational loss incurred by The Arc or to fund any other special project of The Arc. As of December 31, 2018, Board designated assets totaled \$609,682.

### FINANCIAL ASSETS AVAILABLE TO MEET CASH NEEDS FOR GENERAL EXPENDITURES WITHIN ONE YEAR

\$ 2,112,380

The Organizations have a policy to structure its financial assets to be available and liquid as its obligations become due. In general, cash is available to meet the upcoming year's needs for general expenditures.

#### 7. RELATED PARTY TRANSACTIONS

The Arc and the Foundation have separate governing Boards of Directors, but share five voting directors which control the Foundation's Board. At December 31, 2018, the Foundation has a receivable from The Arc amounting to \$129,744, for contributions paid to the Foundation received through The Arc on behalf of the Foundation. Inter-company transactions are eliminated in the combined report presented.

### NOTES TO COMBINED FINANCIAL STATEMENTS DECEMBER 31, 2018

#### 8. MANAGEMENT SERVICES CONTRACT

The Arc entered into a management service agreement with The Arc of the District of Columbia, Inc. (The Arc of DC). The Arc of DC is a non-profit organization and is affiliated as a state chapter of The Arc. Both organizations do not share voting directors, therefore, The Arc does not have an economic control over The Arc of DC and their financial activity is not combined. The Arc charged The Arc of DC \$135,571 for the management fees which are included in program service fees on the Combined Statement of Activities and Change in Net Assets.

#### 9. COMMITMENTS - OPERATING LEASES

During fiscal year 2011, The Arc signed a 140-month lease, commencing on October 1, 2011 and terminating on May 31, 2023, with annual lease escalations of 2.5%. As part of the lease agreement, The Arc received three free months of rent at the commencement of the contract. Additionally, The Arc was only required to pay 50% of the rental installments for the 12 months following and received free rent for the month and a half after the year period.

Accounting principles generally accepted in the United States of America require that the total rent commitment should be recognized on a straight-line basis over the term of the lease. Consequently, the difference between the actual monthly payments and the rent expense being recognized for financial statement purposes will be recorded as a deferred rent liability.

For the year ended December 31, 2018, occupancy expense was \$569,722. Additionally, the deferred rent and lease incentive liability at year-end was \$742,896.

In December 2013, The Arc amended the lease to include an additional 1,644 square feet of office space. The lease for the additional space commenced on May 15, 2014 and will maintain a termination date of May 31, 2023.

At December 31, 2018, minimum annual rental commitments under the lease are as follows:

#### Year Ending December 31,

2019 2020 2021 2022 2023	\$ 616,294 633,178 650,552 668,319 284,111

\$<u>2,852,454</u>

### 10. RETIREMENT PLAN

The Arc has a non-contributory pension plan (the Plan), covering substantially all of its regular employees. Total pension expense was \$371,053 for the year ended December 31, 2018. The Plan, which provides for deferred annuity contracts, is a money-purchase defined contribution plan. The Arc's cost is limited to the contributions fixed under the Plan.

The Arc also has a 457(b) deferred compensation plan, effective August 9, 2009, limited to the top hat group of employees. Elective deferrals may be made to the Plan up to the maximum allowed by law. As of December 31, 2018, \$135,398 was deferred under the Plan.

### NOTES TO COMBINED FINANCIAL STATEMENTS DECEMBER 31, 2018

#### 11. CONTRIBUTED SERVICES

During the year ended December 31, 2018, The Arc was the beneficiary of donated services in the amount of \$4,496,222. The value of these services was estimated at fair market value, and has been included as revenue and expenses in the accompanying combined financial statements for the year ended December 31, 2018, as follows:

Donated legal services \$ 2,857,034
Donated advertising \$ 1,639,188

**TOTAL CONTRIBUTED SERVICES** 

\$ 4,496,222

#### 12. CONTINGENCY

The Arc receives grants from various agencies of the United States Government. Beginning for fiscal year ended December 31, 2015, such grants are subject to audit under the provisions of *Title 2 U.S. Code of Federal Regulations (CFR) Part 200 Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards.* The ultimate determination of amounts received under the United States Government grants is based upon the allowance of costs reported to and accepted by the United States Government as a result of the audits. Audits in accordance with the applicable provisions have been completed for all required fiscal years through 2016. Until such audits have been accepted by the United States Government, there exists a contingency to refund any amount received in excess of allowable costs. Management is of the opinion that no material liability will result from such audits.

During the year ended December 31, 2018, The Arc did not incur costs of Federal funding in excess of \$750,000 that would require a single audit under the Uniform Guidance.

#### 13. FAIR VALUE MEASUREMENT

In accordance with FASB ASC 820, Fair Value Measurement, the Organizations have categorized their financial instruments, based on the priority of the inputs to the valuation technique, into a three-level fair value hierarchy. The fair value hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). If the inputs used to measure the financial instruments fall within different levels of hierarchy, the categorization is based on the lowest level input that is significant to the fair value measurement of the instrument.

Investments recorded in the Combined Statement of Financial Position are categorized based on the inputs to valuation techniques as follows:

- **Level 1.** These are investments where values are based on unadjusted quoted prices for identical assets in an active market the Organizations have the ability to access.
- **Level 2.** These are investments where values are based on quoted prices for similar instruments in active markets, quoted prices for identical or similar instruments in markets that are not active, or model-based valuation techniques that utilize inputs that are observable either directly or indirectly for substantially the full-term of the investments.
- **Level 3.** These are investments where inputs to the valuation methodology are unobservable and significant to the fair value measurement.

### NOTES TO COMBINED FINANCIAL STATEMENTS DECEMBER 31, 2018

#### 13. FAIR VALUE MEASUREMENT (Continued)

Following is a description of the valuation methodology used for investments measured at fair value. There have been no changes in the methodologies used at December 31, 2018:

- Mutual funds Valued at the daily closing price as reported by the fund. Mutual funds held by the
  Organizations are open-end mutual funds that are registered with the SEC. These funds are
  required to publish their daily net asset value (NAV) and to transact at that price. The mutual
  funds held by the Organizations are deemed to be actively traded.
- Common stocks Valued at the closing price reported on the active market in which the individual securities are traded.
- Fixed income taxable bonds Fair value is based upon current yields available on comparable securities of issuers with similar ratings, the security's terms and conditions, and interest rate and credit risk.

The table below summarizes, by level within the fair value hierarchy, the Organizations' investments as of December 31, 2018:

#### 14. ENDOWMENT

The Organizations endowment consists of donor-restricted endowment funds. As required by GAAP, net assets associated with endowment funds are classified and reported based on the existence or absence of donor-imposed restrictions. The Board of Directors is subject to the Uniform Prudent Management of Institutional Funds Act (UPMIFA) and, thus classifies amounts in its donor-restricted endowment funds as net assets with donor restrictions because those assets are time restricted until the governing Board appropriates such amounts for expenditures. Most of those net asset also are subject to purpose restrictions that must be met before reclassifying those net assets to net assets without donor restrictions.

### NOTES TO COMBINED FINANCIAL STATEMENTS **DECEMBER 31. 2018**

#### 14. **ENDOWMENT (Continued)**

The governing Board has interpreted UPMIFA as not requiring the maintenance of purchasing power of the original gift amount contributed to an endowment fund, unless a donor stipulates the contrary. As a result of this interpretation, when reviewing its donor-restricted endowment funds, the Organizations consider a fund to be underwater if the fair value of the fund is less than the sum the (a) the original value of initial and subsequent gift amounts donated to the fund and (b) any accumulations to the fund that are required to be maintained in perpetuity in accordance with the direction of the applicable donor gift instrument. The Organizations have interpreted UPMIFA to permit spending from underwater funds in accordance with the prudent measures required under the law. Additionally, in accordance with UPMIFA, the Organizations consider the following factors in making a determination to appropriated or accumulate donor-restricted endowment funds:

- The duration and preservation of the fund;
- The purpose of the organization and the donor-restricted endowment fund;
- General economic conditions and the possible effect of inflation and deflation;
- The expected total return from income and the appreciation of investments; and
- Investment policies of the organization.

Description of amounts classified as net assets with donor restrictions (Endowment only):

Net Assets with Donor Restrictions:

	Without Donor <u>Restriction</u>	With Donor Restrictions	Total
Endowment net assets, beginning of year Investment loss, net Loss in beneficial interest in perpetual trusts	\$ - - -	\$ 2,273,295 (36,830) (151,591)	\$ 2,273,295 (36,830) (151,591)
ENDOWMENT NET ASSETS, END OF YEAR	\$ <u> </u>	\$ <u>2,084,874</u>	\$ <u>2,084,874</u>

Funds with Deficiencies -

From time to time, the fair value of assets associated with individual donor-restricted endowment funds may fall below the level that the donor or UPMIFA requires the organization to retain as a fund of perpetual duration. Deficiencies of this nature exist in five donor-restricted endowment funds, which together have an original gift value of \$424,514, and a deficiency of \$35,751 as of December 31, 2018. These deficiencies resulted from unfavorable market fluctuations that occurred after the investment of new contributions for donor-restricted endowment funds and continued appropriates for certain programs that was deemed prudent by the Board of Directors.

### NOTES TO COMBINED FINANCIAL STATEMENTS DECEMBER 31, 2018

#### 14. ENDOWMENT (Continued)

Return Objectives and Risk Parameters -

The Organizations have adopted investment and spending policies for endowment assets that attempt to provide a predictable stream of funding to programs supported by its endowment while seeking to maintain the purchasing power of the endowment assets. Endowment assets include those assets of donor-restricted funds that the Organizations must hold in-perpetuity or for a donor-specified period.

Strategies Employed for Achieving Objectives -

To satisfy their long-term rate-of-return objectives, the Organizations rely on a total return strategy in which investment returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends). The Organizations target a diversified asset allocation that places a greater emphasis on equity-based investments to achieve their long-term return objectives within prudent risk constraints.

Spending Policy and How the Investment Objectives Relate to Spending Policy -

The Organizations have a policy of appropriating for distribution the amount deemed allowable by the donor after determining the actual amount earned.

#### 15. SUBSEQUENT EVENTS

In preparing these combined financial statements, the Organizations have evaluated events and transactions for potential recognition or disclosure through April 7, 2019, the date the combined financial statements were issued.

On November 7, 2018, The Arc's Board of Directors approved the restructuring of The Arc of Georgia Services Corporation (formerly The Georgia Arc Network) and The Arc of the District of Columbia Inc. to be subsidiary corporations of the Organization with effective date being January 1, 2019.
